

Parents/guardians must fill out and sign this form. This form is collected at CIC photo/video shoots at your school and/or at check-in for any CIC event. Other adults participating in photo/video shoots must also sign this release.

When you sign this document, you grant Connecticut Invention Convention (CIC) and The STEMIE Coalition, a national invention education organization of which CIC is an affiliate, the use of student data, photos, and video or product/company information gained because of this process, without further permission. All student data, photographs and video will only be used on behalf of Connecticut Invention Convention and/or The STEMIE Coalition.

DATA, SOCIAL MEDIA, PHOTO & VIDEO PERMISSION

I am aware that the Connecticut Invention Convention and The STEMIE Coalition events are newsworthy and **I grant permission** to use photographs, video, and other recordings of my child, or myself in print, broadcast, or online materials designed for news, informational, educational, fundraising, or other promotional purposes related to Connecticut Invention Convention and The STEMIE Coalition, including but not limited to newspapers, television, news-related websites, research articles, promotional literature and videos, social media and the CIC website (www.ctinventionconvention.org) and The STEMIE Coalition website (www.stemie.org). CIC uses Student Data only for its programs and in accordance with its posted [Data Privacy Policy](#).

Student's Name _____

Student Address _____
Street City ZIP

School Name _____

Parent/Guardian/Adult Name (printed) _____

Relation to Student _____

Parent/Guardian/Adult Signature _____ Date _____

Parent/Guardian/Adult Phone _____

Parent/Guardian/Adult Email _____
