14	\$1162	\$83	\$938
15	\$1200	\$80	\$1050
16	\$1248	\$78	\$1152
17	\$1309	\$77	\$1241
18	\$1350	\$75	\$1350

HOW CAN SCHOOLS IN A DISTRICT QUALIFY FOR A REDUCED REGISTRATION FEE? An individual of a school in a district can register a school or multiple schools, or different individuals (or a combination of individuals) can register different schools within the district **before December 31** and each school pays the reduced registration fee. The district office, an educational foundation or other sources of revenue, such as a grant, can pay the total fee for all schools. Once the registration information is submitted, NO payment is due immediately. **The CIC system will generate invoices on December 31 to calculate the correct discounted registration fee. Invoices are emails to the person or persons who registered the school or schools.** CIC accepts checks or payment by credit card. Full payment is due and payable by January 30, 2019.

WHAT HAPPENS IF A SCHOOL REGISTERS AFTER DECEMBER 31? A school can still register after December 31, but they will have lost the opportunity of a School Discount and the registration fee will be \$150.

HOW CAN I REDUCE MY SCHOOL'S REGISTRATION COST? Simply get 2 more schools in your district to participate in the CIC and when they register before December 31, 2018, YOUR cost will go down. If you need support in getting the other school(s) on board, contact the Director of Education, Christine Lawlor-King at christine@ctinventionconvention.org for help.
